Rental Equipment Age Policy

All ages are welcome to paddle! Young children love being passengers in a canoe, kayak, or paddleboat with adults, and children as young as six can paddle their own kayak (if you think they're ready, of course). We have lifejackets to fit all ages from infant to adult. Read further for complete details of our age policy.

- Ages 15 & Under All children ages 15 and under must be accompanied on the water by an adult (age 19 and older) but may paddle their own boat. Each adult can be responsible for up to six children of this age.
- Ages 16 & 18 Small groups (maximum 6) of children ages 16,17,18 may paddle unaccompanied when each child's parent or guardian signs our Waiver of Liability. The waiver or permission form must be presented in person by a parent or guardian. Groups of more than four kids of this age must be accompanied by an adult on the water, and each adult can be responsible for up to eight children of this age.
- Age 19+ may sign their own waiver and paddle following our company guidelines.
